

# Pre-Trip Reciprocity Checklist

## *State-by-State Compliance Tracker*

- **Route Mapping:** Confirmed all primary states, alternates, and construction detours.
- **Permit Validation:** Physical permit is packed; expiration date and permit type (resident vs. non-resident) verified.
- **Reciprocity Verification:** Verified each state via a current map and confirmed with an official source (e.g., State Attorney General).
- **Vehicle Carry Rules:** Reviewed specific laws for on-person vs. in-vehicle carry and loaded vs. unloaded status for every state.
- **Duty to Inform:** Confirmed if the state requires immediate disclosure of a firearm during law enforcement contact.
- **Storage/Transport Plan:** Set a plan for non-reciprocal states (e.g., locking hard-sided container, ammo separated).
- **Restricted Locations:** Pre-mapped schools, government buildings, and event venues for each stop.
- **Lodging Strategy:** Planned for secure storage during hotel check-ins and overnight stays.
- **Traffic-Stop Plan:** Developed a calm script and identified the exact location of all legal documents.
- **Offline References:** Saved dated screenshots of all verified laws and maps for use without cell service.
